* Dominion Lands expenditure from 1870 to 1880 included under Capital Account.
Scrip not included above, \$3,758,490.

I trust that my hon. friend from Victoria and Haliburton is interested in these figures which he has compelled me to take the time to read. There were only seven years since 1870 in which there has been a net revenue in the administration of the public domain in Manitoba and the Northwest.

Mr. HAGGART. That does not include immigration? That is only the management of the lands?

Mr. SCOTT. The management of the lands alone.

Mr. FOSTER. Does that include the head office management here? I should judge not.

Mr. SCOTT.

Mr. SCOTT. My hon. friend from Eastern Assiniboia (Mr. Turriff) states that it includes a portion of the head office management.

Mr. LAKE. I suppose that is quite distinct from the expenditure in the Yukon?

Mr. SCOTT. Yes, the Yukon is excluded from the statement. It alludes to Manitoba and the Northwest Territories alone. I would further say to my hon. friends from Qu'Appelle and Calgary that I should not be so enthusiastic in favour of this proposition for the Dominion government to retain the lands and to pay these amounts to the provinces in lieu of the lands if I were satisfied as to how the local gov-
