

Mr. Smallwood I was wondering the past few weeks what the four members from Placentia Bay were looking so happy about. I think it may be because these four gentlemen have succeeded in getting a whole lot of things for Placentia Bay. They are getting a new boat, and a new bait depot, and a new cottage hospital, so that must be why they are so happy. They have even got roads, a

couple of million dollars will be spent on them. Mr. Chairman, I move that the committee rise, report progress and ask leave to sit again.

[The committee of the whole rose and reported progress. The Convention received and adopted the report of the Committee on Transportation and Communications, and adjourned until the call of the Chair]
