

5th. You or either of you will obtain the adhesion of the Indians of the Grand Rapids of Berens River to the treaty according to the form annexed. You will ask them to select a Chief and three Councillors. A similar provision will be made as to a reserve, but if necessary you can fix the locality at the Sandy Narrows above the rapids on the Berens River, reserving free navigation and access to the shores to all Her Majesty's subjects.

6th. Mr. Reid will pay the Norway House and Cross Lake Indians, and will ascertain the intentions of the Norway House Indians as to the time of their removal to Fisher River, of which I am unadvised.

7th. Mr. Howard will pay the Indians at the mouth of the Saskatchewan, and if the Indians have removed their houses, as agreed by the treaty, will pay them five hundred dollars, but if not and some have removed, will pay such their proportionate share of the five hundred dollars.

8th. You will distribute the implements, tools, etc., sent among the Indians, as also the ammunition and twine. Cattle cannot be given till the Indians are sufficiently settled on the reserves to make it seem that they will be cared for. You will report any cases where you find this to be the case, for future action.

9th. You will inform the Berens River Indians that their application for a hay reserve has been forwarded to the Privy Council by me, and that they will receive a reply hereafter.

10th. Mr. Howard will secure the adhesion of the Indians at the Pas to the treaty providing that reserves of one hundred and sixty acres to each family of five will be granted at places selected for them by an officer of the Privy Council, with their approval; but it will probably be necessary to give them a reserve at the Pas where they reside, reserving carefully free navigation and access to the shores. As the extent of land there is very narrow, it may be desirable to indicate localities where farming reserves will be granted, subject to the approval of the Privy Council.

11th. The Moose Lake Indians are a distinct band, and will probably desire the recognition of two separate Chiefs and the allotment of separate reserves to them.

12th. The Cumberland House Indians are another band, but very much scattered; the question of a reserve will have to be considered, and, in connection with it, as in other cases, respect for actual, *bona fide*, substantial improvements, and for the rights of settlers.

13th. In all cases the places indicated for reserves to be subject to Her Majesty's approval in Council, and free navigation and access to the shores to be reserved.

14th. In the case of new adhesions to the treaty, which are in fact new treaties, only five dollars is to be paid, but persons belonging to bands treated with last year are to receive last year's payment, if then absent, if necessary.
