Mr. BOURASSA. I rise to a point of order. The hon. member for Alberta (Mr. Herron), the hon. member for Algoma (Mr. Boyce), the hon. member for Calgary (Mr. M. S. McCarthy) and the hon. member for Huntingdon (Mr. Walsh) voted, though they came in after the question was put.

Mr. SPEAKER. It will not be proper to record their votes if they came in after the question was put. I would ask the hon. members whose names have just been mentioned if they were in the House when the question was put.

Mr. LEONARD.

Mr. BOYCE. I may say, so far as I was concerned, that there was a very imperfect ring of the bell.

Some hon. MEMBERS. Oh, oh.

Mr. SPEAKER. The names of the hon. members for Algoma, Alberta, Calgary and Huntingdon, will be struck out.

Amendment (Mr. Léonard) negatived.

Mr. R. L. BORDEN. Before the motion is put, I desire to make the same motion in amendment with regard to clause 16 which I made with regard to the corresponding clause in Bill No. 69, seconded by Mr. Cochrane:

That all the words after 'now' to the end of the question be left out and that the following words be inserted instead thereof:

Recommitted to a Committee of the Whole House with an instruction that they have power to strike out section 16 of the Bill and to substitute the following section therefor:

16. The provisions of section 93 of the British North America Act, 1867, shall apply to the said province in so far as the same are applicable under the terms thereof.

Sir WILFRID LAURIER. With the consent of the House we might have the same vote recorded with the same motion.

Mr. R. L. BORDEN. I had already suggested that, and I concur. Where the provisions of the Bill are exactly the same and the motion in amendment is exactly the same, surely we need not come trooping in to vote again.

Sir WILFRID LAURIER. Instruction might be given to the clerk to have the same motions and the same votes recorded on this Bill as on the other Bill.

Mr. SPEAKER. On the understanding that that is the unanimous wish of the House, I direct the clerk to record the same motions in amendment and the same votes on this Bill as those on the previous Bill, with the names of the movers and seconders entered.

Amendment (Mr. R. L. Borden) negative.

Mr. SPROULE. I beg leave to move, seconded by Mr. Lennox:

That all the words after 'now' to the end of the question be left out, and that the following words be inserted instead thereof:

Recommitted to a Committee of the Whole House with an instruction that they have power to strike out section 2 of the Bill, and to substitute the following section therefor:

2. The provisions of the British North America Act, 1867 to 1886, shall apply to the province of Saskatchewan in the same way and to the like extent as they apply to the other provinces heretofore comprised in the Dominion, except such provisions as in terms or by reasonable intendment are specially applicable to or affect one or more only and not the whole of the said provinces.
