which their opinion was not taken on the subject?

I had to say Prince Edward Island was against it.

Givernment; if it were I would not support it.

has been very well stated by the honomomber from New by the fact, that the other gentleman appointed at the Charger, that it is dangerous to have so many Unionists same time as the Solicitor General, is opposed to Union, in the Executive, for if delegates have to be send With regard to the second appointment, I think the Cov-Home, they may appoint those who are strongly dis-entment might have selected a person basing dronger posed to favor the proposed Confederation and absentite political claims on their party; but I'will not consure constant the country to the scheme. There are severalished for the appointment on the ground of his opposition commit the country to the scheme. There are several them for the appointment can be ground of his opposition acts of the Government during the plast year to which I chiper but the has appointment under, copacification as several about the niterate is still in future hearings, and the Grant Chiper but the appointment under, copacification as several mental to the little future property as and the Grant control of the little future to the control of the little future to the control of the little future to the several control of the control of

Hoe Col GRAY. I never heard any such declara-lawkward position by moving a resolution in favor proceedings with caption

ton Mr. WHELAN ... My hop, friend on the left if Coles scanns were anxious to draw, major ton the Miles consider. L. howayer, shall see only averages. pp. Assay 10, pp. 90g. park. 15, 140g. 46, 260 and 146, 15 Satard . Hand. . Hones from 150g. 150g. 150 and 150g. 150 Satard . Hand. 150g. 150g Hon Mr. COLEST of an positively assist that this too seems with a second of the like of the manufacture of the like of the manufacture of the like of party, man the local policy of the florernment is eppose milion Cod. CR.A. 2.— But I gostirrely state that this was Confident in Arcanost, about principles, but on the gostion of Confidentials. A connot, shop, my ages to the close, ship in the the gost I. Henry could feely that the people of the confidentials. A connot, shop, my ages to the close, ship in the confidentials. A connot, shop, my ages to the close, ship in the confidential of as to call apon us to act upon it without reference to old How My CHERS .- By the majority of their delegates pasty predilections ... Should, the Government, then, be wild were present.

prepared to surveiuse a measure to give stock to chicken the property of the control of the for this Colony. When four of our delegates were him. But I believe the course which he has taken will apposed the any resolution, I was required to say that Have the contrary effect to what he intelled. He ought Prince Edward Island was against it, and the contrary, to flave obeside another time to show his opposition to if the majority were in favor of the proposition. This Union, for bon members on the other side of that floure was the way, in which the question was put; and a cannot be expected to support bis motion; akhoogh they majority being opposed to the hon member's resolution, may agree with him in his opposition to Confederation; consequently the division on his resolution will be such as to lead the people of the other Provinces to suppose that Hon Mr COLES, -It is admitted then that there was the Canfederation scheme is not very unfavorably educived

a difference of opinion to this point. On the financial by this House. It is not my place or my intestion to de-the Prime Edward Island was translimous; but 1858 feed the Gureroment, but is appeare to me to be a most id not the question now before the Committee, Will injectious proceeding on the part of my then friend to g tibl' the quiestion liber before the Committee. With injunctions processing on one part of my non-record (in) referred to the retent of the bon member for Murray like Moinistration. If we are to object to the policy of Early that the Office of the policy of the poli Mr DUNCAN .- What I stated was to the effect made at this particular time, for I hold that the Governthat no Government could be formed on that principle ment should have had firmness shough to tell their principle from the present parties, without dismissing some of pai Crown Officer to resign; and thus save them the their supporters. The Government is bot a Hoion becessity of resuscitating an office which bas became shrott Givernment; if it were I would not support it.

Hea Mr. COLES.—The bon member apparently despired of the form desired by the desired of the form of th out wish to censure the Government for what it has present himself is favor of Confederation, is a proceeding our wast to consure to very many to must to the one of which i econor approve. I rathen hold star one of short does not be her properly a Unionist, but I think the one; why he should be appointed. This view is strengthened the hear properly started by the strengthened.
