A. Joint report of Messrs. Howard and Reid as to the Island Indians of Lake Winniper and those of Berens River.

B. Report of Mr. Howard as to the band at the Grand Rapids, and as to his negotiations with the Indians at the Pas.

C. Report of Mr. Reid with regard to the Norway House Indians.

D. Report of Mr. Howard, submitting the accounts of the expenditure incurred in carrying out my instructions.

1. It will appear from these reports that the Commissioners obtained the assent of the scattered bands among the islands and shores of Lake Winnipeg, and had them united in a band with one Chief and his Councillors.

2. That the Indians of the Grand Rapids of the Berens River accepted the treaty, being received as part of the band of Jacob Berens, and that the latter band wish their reserves to be allotted them and some hay lands assigned.

3. That the Norway House Indians contemplate removal to Fisher's River, on Lake Winning.

4. That the Indians of Grand Rapids have removed, as they agreed to do last year, from the point where they had settled on the Saskatchewan, and which had been set apart as the site of a town.

5. That the Indians of the Pas, Cumberland, and Moose Lake gave their adhesion to the treaty, and, subject to the approval of the Privy Council, have agreed upon the localities for their reserves.

6. That the bands at the Grand Rapids, the Pas, and Cumberland are in a sufficiently advanced position to be allowed the grant for their schools.

I forward herewith the balance sheet of Mr. Howard for the receipts and disbursements connected with the completion of the treaty and the payments, as also the various vouchers in support thereof. I placed the charge of the financial arrangements in the hands of Mr. Howard, on whom also fell the longest period of service in the work entrusted to the Commissioners.

I also forward by parcel post, registered, the original of the assents to the treaty of the various bands.

To prevent complications and misunderstandings, it would be desirable that many of the reserves should be surveyed without delay, and, from Mr. Reid's connection with the treaty, and his fitness for the work, I think that he would be a suitable person to be employed in the duty.

I would remark in conclusion, that I requested Mr. Provencher to obtain the assent to the treaty of the band at the mouth of the Black River, and that he informs me that he obtained their adhesion and has so reported to you. The having obtained the assent of the whole of the Indians within the region treated for so far, is a most satisfactory feature of the year's operations.

I have, &c.,

ALEXANDER MORRIS, Lieut. Governor.
